Mr Patrick Sanchez, the club’s Director Sportif, has attempted to create his “Dream Team” of the best duathletes from around the world and it is going to be an incredible opportunity to race with such a stellar group of athletes.

In 2009, I will race alongside:

- **Joerie Vansteelant BELGIUM** 2*ITU Long Distance World Champion
- **Sergio Silva PORTUGAL** 2*World Champ Bronze Medallist and Multiple World Jnr Champ
- **Kris Coddens BELGIUM** 2008 ITU World #6
- **Sergey Yakovlev RUSSIA** 5th ITU World Championships
- **Roger Roca SPAIN** 2008 Spanish Marathon and ½ Marathon Champion
- **Alessio Picco ITALY** 8th ITU World Championships

We will be racing in the French Grand Prix circuit – 16 teams, 5 races, 5 athletes competing per team/per race and the French Duathlon Cup (A on off team time trial event). It is going to be an experience to remember and I am very keen to resume training shortly to prepare for 2009.
