World star doubles the fun

By **BEN PAPALIA**

A DIVERSE field of athletes graced the pavement of Ocean Drive on Sunday for the annual South Western Times Surf to Surf Fun Run and the action didn't disappoint.

They came in their droves – runners, walkers and pram-pushers – to make this year's race yet another success for the Bunbury Surf Life Saving Club.

World duathlon star Rafael Baugh successfully defended his 10km run title, blitzing the course in 32.56 to the amazement of spectators, while Lisa Robinson ran a gutsy 46.42 to be the first women over the line.

Perth-based athlete Nathan Doic was first across the line winning the 5km run in a sensational time of 16.28, while Toni Lander was the fastest woman, finishing in 19.57.

Bunbury walking veteran Garry Hastie, fresh back from a medal-winning performance at the World Masters Games, went one better than his second place in 2008's 5km walk winning this year's race in 25.06. World walking champion Lyn Ventris crossed second with a time of 26.17.

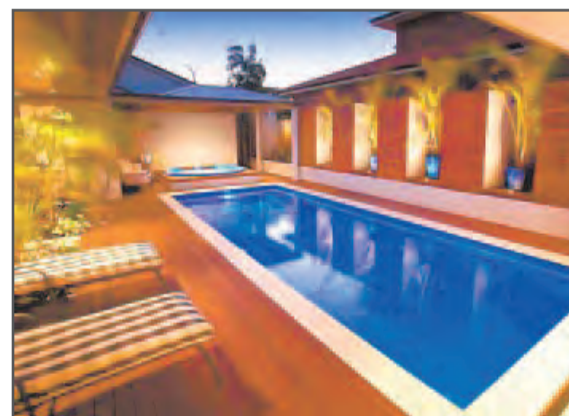

●See this Thursday's South Western Times for a special souvenir four-page liftout with all the results.
